Approval of last month's meeting minutes: Yes

### **OLD BUSINESS**

Paul from The Tamarack Place, will not charge us a cleaning fee this year. Saved us \$75. No chili cook off next year, but maybe have a Christmas dessert bake off? Our little village was packed! Our village mayor said that town was packed from one end to another. How exciting! All of the businesses said they ran out of their goodies quick. Fireworks are an absolute must! Only complaint we had, was that there were not enough people outside doing things and not FUN enough. The PTO ride went well. The horse drawn ride did not show up.

Issue with the Lions Club, again. They said they put the tree up as a favor to our committee. We need to discuss this as we had NO PART IN IT. Apparently, everything on the tree belongs to us?

### **SUMMERFEST**

We need to start working on our flyers. They need to be sent out by January 18<sup>th</sup>. Our printer is not working correctly, but we will get it fixed. We need to put a reminder in our letter that we only ask for donations ONCE. We will put it in the beginning of our letter. Air dogs will be back, Pat Carr wants to have it in front of the fire barns. Water battle may happen. New thought, do we want two title sponsors? Byrne is this year. If we have more than one, the next would sponsor Fall fest or Christmas in Lakeview?

We will change the title header to "LFC 2022". Then we will add the \$2,500 spots for Fall fest and Christmas in Lakeview. It would go as follows: \$5,000- Title sponsor-Summerfest @ ½ page, \$2,500-Fall fest @ ¾ page, \$2,500- Christmas in Lakeview @ ¾ page. We would also remove the title sponsors having a sign in front of 6 events. Dom will redo the letter and send it on slack for us to look over.

Events: We have not heard anything from the carnival people. Trixie Tang will be here on Saturday. Free Flight is a possibility. Ramon will get with Ben and discuss. Food vendors will be

around and at the South Side Street Party, but they need to be in Family Dollars parking lot. On Saturday, if the pin up happens again, we will not have wine tasting. We will need more help serving beer though! Possibly up the prize winnings?

Meeting adjourned at 7:50pm. Next meeting will be February 1 at McKenna's. Lick and stick meeting will be January 18 at Alley Cat.
