

Special Meeting for January 21, 2020

Present: Sonni Trevino, Holli Trevino, Dominic Trevino, Stephanie Barone and Joe Sweet.

Started at 6:30pm

Joe made motion to sign contract without money pending council approval while Holli seconds it.

Holli made motion that once approved by village council we will submit the \$1,500 to the Native Engineering & Amusements while Sonni seconds it.

This meeting we found out the burn out is still a go! We just need to find a spot along with the car show. Lets all put our heads together and think of where this can all go.

We also got letters stuffed and they will be sent out! Thanks to all who came out and helped!!

Adjourned at 7:35pm
